OPTIONS

- **Filling your freezer.....**

Your animal can be transported to a local butcher

Please contact your chosen butcher by Monday, August 14, 2017 to have the meat cut and packaged to your specifications. (Butcher prices and contact information is attached)

If you don't need all the meat....you can purchase an animal with family and friends.

Each person can still have their portion cut and packaged to their specifications.

- **Donating the animal back for resale...**

If you wish to support 4-Hers and their projects but don't want the meat, you can purchase the animal and donate it back for resale to benefit any charity.

The 4-Her receives the amount you purchased the animal for at the sale

The animal is then taken to a local auction and resold...the money it brings at this auction will be sent to the charity that you choose.

- **Self Transport...**

If you plan to haul the animal on your own, please let us know!

5
